POLONA

68 The Property

Polona 68 is located in the center of Bucharest, only 10 minutes walking distance to Piata Romana and very close to the prestigious Dorobanti neighborhood.

It benefits from easy access to both the city center and the airport, being located on Polona Str., which is parallel to Calea Dorobantilor and easily accessed from Stefan cel Mare and Dacia Boulevards.

The easy connection to public transportation is a great advantage for the building, considering Stefan cel Mare and Piata Romana metro stations can be reached within 5-10 minutes on foot and there are 8 city bus lines, 1 express bus line and 5 tram lines operating in close vicinity.

 **Address:** 68 Polona Street, Business Center, Bucharest, Sector 1

Public transport in vicinity
Metro: Stefan cel Mare (M1 line)
Bus: 135, 182, 301, 331, 331B, 335, 461
Tram: 1, 10
